

## APPRENTICESHIPS

### What level of apprenticeship should I look for?

Level 7 – Masters – e.g. in Accounting, Law etc. – 4-5 years of study

Level 6 – Degree apprenticeship – 3-4 years of study

Level 4 – Higher Apprenticeship - 2 years of study

Level 3 – Advanced – gives qualifications and experience in a role. 1 year – of study

There is a relevant apprenticeship for everyone, think about the level of study you wish to do when you leave Sixth Form. Some students want to do a Masters/Degree others prefer to work their way up in an organisation.

### How can parents help?

You can also have your own Unifrog account. You will be able to research careers, attend webinars delivered by employers and universities to learn more about their opportunities, and compare pathways so you can support your child in making an informed decision about their next steps. The sign up code you need is: TOOTparents – you can sign up here: [www.unifrog.org/code](http://www.unifrog.org/code). You can also sign up to Unifrog's parent / carer newsletter when you first sign in to get expert advice and guidance on supporting your child with their next steps.
