## Covid-19 Update

Dear Parents and Carers,

### Face coverings

The legal requirement to wear a face covering no longer applies. However, the government suggests that you continue to wear a face covering in crowded and enclosed spaces where you may come into contact with people you do not normally meet.

Staff and students in all year groups at Toot Hill School are welcome to wear face coverings in school if they wish to do so.

### Student home test kit distribution

We are continuing to offer home testing LFD kits to all staff and students. Students can collect a free box of test kits from the mezzanine, outside the school canteen. These will be available on a Monday, Wednesday and Friday lunch time for all students so please encourage your child/ren to pop up and see us to collect theirs.

### COVID-19 Testing

We strongly encourage our staff and students to continue to test twice weekly using lateral flow device (LFD) tests to help identify cases of Covid-19 promptly. We ask that in addition to notifying the NHS of their test result students also record their LFD results with school using the short online form found by following this link:

[https://www.toothillschool.co.uk/forms/testing\\_result.php](https://www.toothillschool.co.uk/forms/testing_result.php)

Yours sincerely,

**Dr C Eardley**  
Head of School
