

Year 12 - Adam Elliott, Y12 Achievement

Year 12 have settled in really well and are rising to the demands of college life. We have had a busy first term starting with our induction day back in September and soon to be ending with our annual Tea Dance for the local elderly community. Throughout the term we have focused on what makes us a community and the importance of being part of one, in college, nationally and internationally. Year 12 have sat their first round of formal assessments at the end of November, and we are all eager to see their hard work be reflected in a strong set of grades.

Well done to all Year 12 students and thank you to everyone at home supporting them. Have a restful break over the Christmas period.

Year 13 - Philippa Coates, Y13 Achievement

Year 13 have had a positive half term and have worked really hard for their 13.2 assessments, reports will go out before Christmas with parent's evening the second day back after half term. As the end of term approaches it is important that they prioritise getting their UCAS application sent off.

In the final week of term we have the Children's Christmas Party, The Tea Dance and the College Christmas dinner to look forward to. Year 13 are really looking forward to working with the local community and being charitable at this festive time of the year!

Have a wonderful Christmas!
