

Key Messages:

Attendance remains a key priority for College. Please remember to call 01949 863072 or email contact@toothillcollege.co.uk to report any planned absence or illness.

Thank you for your continued support in this.

Year 12—Adam Elliott, Y12 Achievement

Year 12 have now completed their second term and continue to work hard. We saw some great results from the January Business Technical exams, well done to all students, their hard work and dedication really paid off. This term we have focused the mentor programme around futures and destinations, looking at the different pathways available to students after college: employment, apprenticeships and university. Students have written their CVs and have begun to secure work experience placements for the final week of the summer term. I hope all students find time to rest over the Easter break, but they should also take a little time to reflect on the content covered in their courses so far. Year 12 assessments begin June 17th, and A Levels and Level 3 courses require a lot

Year 13—Philippa Coates, Y13 Achievement

Year 13 have just completed their final mock exam before the real thing! The next few months see a busy time for Y13, we have leavers day on the 3rd May and then the real exams start on May 20th. Students are expected to continue attending lessons until their last exam in that subject as subject teachers will want to keep on with exam strategy right until the day! Please do support students by helping revision at home, testing them, timing them and providing cups of tea! The college and pastoral team will be around for drop ins during this time to help students manage exam stress but we certainly encourage parents to keep an eye on this too and encourage walks / exercise to break up revision. I hope students have both a productive and restful Easter break so that they come back confident and ready for the final push!
